

12 January, 2021

My dear genuine Christian friend,

We hope that you are doing well, being blessed with God's peace and staying healthy as you serve our Lord Jesus. Please allow me to share my observations about what has been occurring in the USA in recent months. During the days after the 3 November 2020 election, every Holy Spirit anointed, true *Christian* to whom I spoke intuitively sensed that something terribly wrong and evil had happened on the night of the election. I noticed that there was a special discernment given by the Holy Spirit to God's servants that a horrible injustice had happened against President Trump and against the people of the United States. I will report to you what I believe God has clearly revealed to us.

Friend, in this letter I will first share the bad news and then the good news. Get prepared for persecution, it's coming. In reality, we are entering dangerous times (2 Tim. 3:1-5). How do we know? First, with the defeat of the two Republican candidates in the 5 January, 2021 Georgia Senate run-off election and the Trump presidency on 6 January 2021 in Congress, the Democrat Party will now control the U.S. Congress, Senate and Presidency. The great danger is that the Democrat Party [Democrat in name only – i.e., DINO] is now controlled by the radical left. In the USA the radical left Democrat Party is an alliance of Maoists, Communists, Globalists, Universalists, Socialists, Progressives, LGBTQ radicals, proponents of amorality, advocates of Neo-Malthusianism, Luciferians, Satanists and other deceived people.

This is the Party of pro-abortion (murder of innocent babies), pro-homosexuality (a kind of fornication), pro-transgenderism, pro-globalism, pro-global "governance" control, pro-World Economic Forum Great Reset, pro-U.N. "sustainable development" reduction of human population, pro-radical environmentalism, pro-government controlled "health care" [i.e., Neo-Malthusian death care], anti-U.S. Constitution and Bill of Rights (1st and 2nd amendments), anti-national sovereignty, anti-one nation under God They desire to remove the words "under God" from the national pledge of allegiance, anti-borders, anti-Israel, pro-disarmament [except for themselves, their evil allies, Communist China, etc.], pro-Marxist intersectionality, pro-Marxist critical race theory, pro-social[ist] justice, pro-Marxist BLM, pro-mass murdering Communist China, pro-indoctrination of students in schools and universities with all of the before mentioned *doctrines of devils* conceived by depraved human minds under the control of *Satan*. In the Bible God refers to these kind of people as "*ungodly*", "*wicked*" and "*reprobates*." Whereas, our *LORD* clearly warns us not to walk "*in the counsel of the ungodly*." (Psalm 1:1) As the prophet Isaiah declared, "*Except the LORD of hosts had left unto us a very small remnant, we should have been as Sodom, and we should have been like unto Gomorrah. Hear the word of the LORD, ye rulers of Sodom; give ear unto the law of our God, ye people of Gomorrah.*" (Isaiah 1:9-10)

Second, with the rioting and trespassing done by a group of about 55 people who were dressed as Trump supporters (Many were likely paid infiltrators and agitators.) at the 6 January, 2021 SAVE AMERICA MARCH rally in Washington, D:C., the leftist / globalist controlled mainstream media and leftist / globalist politicians are using this as a pretext to publicly vilify, falsely accuse and persecute President Trump and his supporters. Most *Christians* who voted in the November, 2020 election, voted for President Trump. Keep in mind that over 99% of the Trump supporters attending the 6 January event were peacefully protesting and exercising their constitutional right to do so. These people are God fearing patriots who are standing up for the U.S. Constitution and election integrity. They are standing against a Communist / Socialist / Davos Globalist takeover of the U.S. government. Those who came to peacefully protest the cover up of massive voter fraud in the November election and support election integrity are heroes not criminals. As *Christians*, we strongly disapprove of the violence against people that happened there (Mt. 10:16). At the same time, we must not allow the

hundreds of thousands of peaceful protestors to be falsely labeled and criminalized by lying leftists and globalists. They were there for a just and righteous cause. Truth still matters.

In addition, the SAVE AMERICA MARCH would not have happened without the denial of justice for millions of Trump supporters in state courts, federal courts and at the U.S. Supreme Court concerning massive voter fraud. This denial of justice caused the righteous anger of many Trump supporters. Another factor is that Antifa was asking their people to come to the SAVE AMERICA MARCH event dressed with MAGA clothing, hats, etc. I believe that the MAGA protestors at this event were set up by the left and their agitators. They were encouraged to storm the Capital building so that later they could be vilified for the action. The false propaganda that we are presently hearing daily from the mainstream media confirms this. How did radical left politicians know in advance that the storming of the Capital building would occur? Let us have no part in this evil, politically motivated witch hunt directed by leftists and globalists against pro-Constitution patriots who are standing for the freedom of religion, freedom of speech, an honest press and fair, honest elections.

The voice of *the liar* says: All who oppose the radical left, pro-Communist China agenda of the Biden/Harris regime are violent, right-wing extremists. Unite and reconcile with your socialist comrades. But the voice of truth says: Truth still matters. Stand on God's side. Stand up for the truth, religious freedom, a free, honest press, fair, honest elections and righteousness. Defend persecuted Christians in Communist-controlled and Muslim-controlled countries. "...*Abhor that which is evil; cleave to that which is good.*" Stand against *the Devil* and his evil works. Stand against the lies, thefts, corruption, greed, satanic tyranny, mass murders, totalitarian control, human slavery and amorality of the leftists, socialists, communists and globalists. Have no part with these deceived, evil men and women. Do not help create a totalitarian, global government system of world dominion for the rise of *the antichrist*. A unity with falsehood, *Satan* and evil is, and will always be, a false, satanic, evil unity. Let us wholeheartedly oppose and rebuke their evil works and hypocrisy (Eph. 5:11).

Third, radical leftists in positions of authority and influence in the Democrat Party have been creating blacklists of Trump supporters and Trump enablers to be targeted after they take control of the government. One list is called the Trump Accountability Project. See the 11-9-20 article *AOC, others pushing for apparent blacklist of people who worked with Trump* at: [foxnews.com/politics/aoc-blacklist-trump-supporters](https://www.foxnews.com/politics/aoc-blacklist-trump-supporters). They are planning to use federal government agencies to falsely accuse, entrap and destroy Trump supporters.

Tragically, it appears that under leftist rule the Department of Justice has become, in reality, the Department of Injustice. Likewise, the formerly highly respected FBI has become the enforcer of its leftist tyranny. They are now following a Soviet model of the unrighteous rule of law. Just as the Soviets did in the past and the Communist Party of China is presently doing, they selectively target, investigate and prosecute their political enemies. This was made evident in the phony, politically motivated, Mueller investigation of President Trump for 2+ years and the dishonest entrapment of General Flynn, Roger Stone, etc. This is also apparent in their present witch hunt. Under current conditions, many honest, honorable FBI agents are resigning or retiring. May God bless, care for and protect them. The truth is that there are so many federal laws that have been created that only a very small percentage of Americans even know all of them. The average American citizen violates 3-4 federal laws per day without even knowing it. On any given day an American citizen can be investigated and prosecuted for any one of these technical "laws." But, when unjust laws and the unrighteous rule of law contradict true justice and the righteous rule of law, we must choose to side with true justice and the righteous rule of law. True justice concerning massive voter fraud in the 2020 presidential election and the righteous rule of law must prevail in the USA if we are to continue as a free republic.

Fourth, the radical left Democrat Party aims to purge all Conservatives and Bible-believing *Christians* out of the U.S. Congress, Senate, government agencies, military, etc. In past years they have targeted and persecuted Conservatives and *Christians* who work in the government because they want no person in authority who might expose and oppose their evil, ungodly agenda and actions. Now, they have a monopoly of political power in the USA. This means that the persecution will become much worse in the days ahead. These leftists are part of the cancel culture. They aim to silence all who do not agree with their evil views. This has been more than obvious in recent days as they have targeted patriotic, pro-Constitution Republicans who support election integrity such as Ted Cruz, Jim Jordan, Josh Hawley, Sidney Powell, Lin Wood, General Flynn, etc.

Furthermore, consider the “apostate spirituality” of the left demonstrated in the blasphemous opening prayer of the Democrat controlled 117th Congress on 3 January, 2021. Democrat Congressman Emanuel Cleaver, a Methodist minister, prayed in the name of **Brahma**, a false god of Hinduism. Cleaver concluded his prayer with the words “**Amen**” and “**Awoman**.” It should be noted that the biblical word *Amen* has nothing to do with gender identity. Cleaver’s prayer expressed the religious and political **universalism** of illuminated Freemasonry. Whereas, in Psalm 96:5 we read, “*For all the gods of the nations are idols: but the LORD made the heavens.*” As *Christians*, we do not pray in the name of the false god Brahma. Why? Because our Lord Jesus is *the* [singular] *mediator* between God the Father and mankind (Jn. 14:6, Acts 4:12, 1 Tim. 2:5-6, Heb. 7:25). The apostle Paul proclaimed, “*For there is one God, and one mediator between God and men, the man Christ Jesus; who gave himself a ransom for all, to be testified in due time.*” (1 Tim. 2:5-6) Moreover, Jesus taught His true *disciples* to pray to God the Father “***in my name***” no less than six times in John chapters 14-16 (Jn. 14:13-14; 15:16; 16:23-26). Therefore, in obedience to the very clear instructions of our Lord Jesus to His *disciples*, it is to God our Father that we must present our prayers in the name of His eternal Son – Christ Jesus.

In 2 Thessalonians 2:1-8 the apostle Paul warned *Christians* that in the last days before the second *coming* of Jesus there will be a **time of apostasy**. This refers to a time when many will depart from **sound doctrine** and Christian morality. Also, unbelievers will receive a **strong delusion to believe a lie** because they love unrighteousness and will not receive **the love of the truth**. Rather, they choose to **silence and suppress the truth in unrighteousness** (Rom. 1:18). It appears that we are already seeing this spirit of deception at work in our time. This is an accurate description of the cancel culture people.

We are grieved in our hearts regarding the massive voter fraud that occurred in the 2020 presidential election in crucial swing states and the subsequent denial of massive voter fraud by **corrupt, dishonest and cowardly judges, politicians, media and election officials in the USA** (i.e., “**suppressing the truth**”). Each time they deny that massive voter fraud occurred in the 2020 presidential election they are publicly demonstrating that they are: 1) professional liars 2) financially compromised to Communist China 3) traitors to the US Constitution, righteous rule of law and true, honest, valid elections in the USA 4) Globalists / Socialists / Communists / Progressives / LGBTQ or allies of the before mentioned people and their evil, totalitarian ideologies OR 5) All of the above **These are the kind of evil people who will soon be in control of the government of the United States. May God help us in the days to come.**

For those not yet fully convinced of the **massive voter fraud**, see the following videos: 1) *Unbelievable: Dozens of Georgia witnesses step forward to expose election irregularities*, Part 1, NTD News 2) *Very disturbing: Dozens of Georgia witnesses expose election irregularities*, Part 2, NTD News 3) *I CAN'T SAY THIS On National Television*, Rudy Giuliani, Ep. 98, 30 December, 2020 Rudy Giuliani’s Common Sense, Palm Beach, Florida You may also listen to hours of testimonies of witnesses in the meetings of State legislators in Michigan, Pennsylvania and Arizona. Also, If you have not yet read a copy of the 25 October, 2020 letter from Catholic Archbishop Carlo Maria Vigano to President Trump, it is available at [lifesitenews.com](https://www.lifesitenews.com).

As genuine *Christians*, we believe in the literal, bodily resurrection of our Lord Jesus from the dead in the first century. One of the historical evidences of Christ’s resurrection is found in 1 Corinthians 15:6. **There were**

over 500 eyewitnesses who saw Christ Jesus after His bodily resurrection from the dead. Many of these witnesses talked with Jesus, ate with Jesus and touched Jesus in His new, glorified body after His resurrection. Their reports are regarded as true and considered as **historical evidence. Consequently, in any honest court of law before any honest judge, Christ's resurrection is established as a historical fact.**

Now consider this fact: There are thousands of witnesses with sworn affidavits reporting voter fraud, dishonest changing of many votes for Biden, counting of thousands of illegal votes for Biden, violations of state voting laws, etc. in the 2020 presidential election. Many have phone videos and documents to demonstrate evidence of voter fraud. In any honest court of law before an honest judge in the USA, massive voter fraud, dishonest changing of many votes for Biden, counting of thousands of illegal votes for Biden, violations of state voting laws, etc. should be established as a historical fact.

Only in false, kangaroo courts controlled by globalist, leftist, corrupt, biased judges are these evidences and testimonies disregarded. Many of these judges who rejected evidence of voter fraud are anti-Trump and despise his America first agenda. These unjust judges have beforehand already made up their minds to reject the testimonies, photos and videos of these many witnesses. They choose to ignore a great injustice by means of manipulation of the evidence, delays and evasive procedures. The evidence has not been disproven. But they have disregarded the fact that there is a Judge of judges – *Jehovah*. The prophet Jeremiah proclaimed, “*The heart is deceitful above all things, and desperately wicked: who can know it? I the LORD search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings.*” (Jeremiah 17:9-10)

Tragically, what all of this reveals is that it appears the United States has become a nation which no longer operates under a righteous rule of law with fair and honest elections. The U.S Constitution is no longer the Supreme rule of law in the USA. In reality, the USA is presently operating under an unrighteous rule of law with many corrupt judges, many corrupt politicians and bogus elections. Any honest candidate or judge with even a slight amount of moral integrity would invalidate the 2020 presidential election and call for a new election with only paper ballots and lawful, fair monitoring of vote counts (by honest witnesses) in every place of voting. **Otherwise, we will have an illegal, illegitimate new president and vice-president. It has been said that once liberty is lost in a nation, it is usually permanently lost.**

The months of January 2020 thru January 2021 may be summarized as *a time of collective collusion by globalists, leftists, socialists and communists in creating crises (plural) and false news in the USA with the objective of taking down the Trump Administration and gaining full control of the U.S. government. Their aim was to remove President Trump and his supporters from government and replace them with leftist / globalist people who are pro-Communist China and/or financially compromised to Communist China (i.e., like Biden, Obama, Clinton).*

Consider the following actions which demonstrate collusion:

- 1) Event 201: A Global Pandemic Exercise was held in New York in October of 2019.** The event included key globalist and leftist organizations. Those attending included the United Nations Foundation, the Bill and Melinda Gates Foundation, the World Bank, the World Economic Forum, NBC, the CIA, the Johns Hopkins School of Medicine/Bloomberg School of Public Health, and the Chinese Center for Disease Control and Prevention. They planned their coordinated response to a global pandemic which then began in Communist China weeks later. See the 8 April, 2020 article entitled *COVID-19: A Global Conditioning* by Gary Kah at <http://www.garykah.org/2020/04/13/covid-19-a-global-conditioning/>?
- 2) The phony impeachment schemes against President Trump in Congress led by Democrats / Socialists / Communists in January, 2020 and again in January, 2021.**
- 3) The COVID-19 global pandemic which originated in Communist China in November, 2019 and was purposely allowed to spread to the USA causing the loss of many thousands of lives, jobs and businesses (paralyzing the robust US economy)**

- 4) The Communist funded, BLM directed protests / destructive, violent riots which resulted in at least thirty deaths, many acts of arson, desecration and removal of historical monuments carried out throughout the summer of 2020 in the USA with the blessing of the radical left Democrat Party.
- 5) Leftist owned and influenced *news media purposely* propagated false polling numbers showing Joe Biden with large leads over President Trump for months before the election with the aim suppressing Republican voter turnout on election day.
- 6) The bogus, stolen presidential election in November of 2020 by means of hundreds of thousands of illegal votes, changing votes to Biden and thousands of fraudulent mail in ballots which changed presidential election results and in several states with close races including Arizona, Georgia, Michigan, Nevada, Pennsylvania and Wisconsin..
- 7) During November thru December of 2020 and January of 2021, leftist owned and influenced social media and news media purposely censored significant data regarding voter fraud, cheating and illegal changing of vote counts in the November 2020 presidential election in the USA. This was done to prevent the American public from knowing the truth about significant illegal cheating, changing of vote counts and massive voter fraud which occurred during the November 2020 presidential election in the crucial swing states of Arizona, Georgia, Michigan, Nevada, Pennsylvania and Wisconsin..

Also, please read The Navarro Report entitled *THE IMMACULATE DECEPTION: Six Key Dimensions of Election Irregularities* by Peter Navarro presented on 17 December 2020. Having stolen the November, 2020 presidential election, the radical left Democrat Party has now seized a monopoly of political power in the USA with no obstacle or balance of power to stop their evil, destructive, ungodly agenda from being carried out. Without God’s merciful intervention, the USA will become a nation under totalitarian, leftist one Party rule. Keep in mind that, according to author Trevor Loudon in his 2020 book entitled *WHITE HOUSE REDS*, (Chapter One), Joe Biden was recruited and funded as a young candidate by **the communist front group called Council for a Livable World (CLW)**. CLW was started by two Soviet agents. In fact, Biden has been funded and influenced by communists and socialists throughout his political career. Kamala Harris also promotes a radical leftist agenda. We can read the platform of the DNC to see, in part, the radical left path that they desire for America. In addition, please see the documentary video entitled *RIDING THE DRAGON: The Biden’s Chinese Secrets* produced by BlazeTV.com. Presently, you may watch this for free on Youtube.com if it has not yet been removed via leftist censorship. The documentary demonstrates how the Biden family is financially compromised to Communist China. It also reveals Joe Biden’s pro-Communist China perspective. Tragically, corrupt politicians have disregarded the warning of the apostle Paul. *“For the love of money is the root of all evil: which while some coveted after, they have erred from the faith, and pierced themselves through with many sorrows.”* (1 Timothy 6:10)

Moreover, in 2020 the book entitled *COVID-19 THE GREAT RESET* was published by the World Economic Forum (WEC). One of its authors, Professor Klaus Schwab, is a prominent globalist who founded the WEC in 1971. Schwab is the executive chairman of the WEC and was also a former member of the steering committee of the Bilderberg Group. The book advocates “global governance,” “societal reset,” “contact tracing,” “contact tracking” and “stakeholder capitalism.” However, “stakeholder capitalism” appears to be, after the collective input of socialists, **a socialist “transformation” of free market capitalism. The result is a new synthesis - global socialism.** Secretary General of the United Nations, Antonio Guterres, wholeheartedly endorses THE GREAT RESET. Keep in mind that Guterres is the former president of Socialist International from 1999-2005. There is no way that Guterres would support THE GREAT RESET if it did not include socialist transformation.

Likewise, the book entitled *LET US DREAM* by Pope Francis is a religious version of THE GREAT RESET. It is called THE CATHOLIC RESET.

This **new synthesis** is further made clear by the fact that THE GREAT RESET of the World Economic Forum aims for no private property by 2030. An ad funded by members of the World Economic Forum reads, “You will own nothing. And you will be happy.” **This is delusional global socialism at its worst. What a Plan. The leftist, global oligarchy will own and control everything. You will own nothing and be dependent on them for everything. In the past, this was known as slavery. Now, it is called “global governance.”**

I believe that what is about to be created via THE GREAT RESET from 2021 onward is the globalist / leftist **New World Order** spoken of by illuminated Freemasons [i.e., illuminated by the fallen angel *Lucifer*], Professor Adam Weishaupt, Fabian Socialist H.G. Wells, Freemason Alice Bailey, Freemason / Theosophist / Socialist Annie Besant, Globalist Henry Kissinger and many others during the past two + centuries. This is no conspiracy theory. **The New World Order has been advocated by many deceived authors, professors, religious leaders and politicians, in their own words, for many decades.** Author Dennis Cuddy has prepared a chronology of quotes which identify many of the proponents of the New World Order and show its development. For the complete list log on to <http://www.freerepublic.com/focus/f-rlc/1145562/posts>

For those who study Bible prophecies, none of this should surprise us. As revealed in the Holy Scriptures, these organizations are helping form the framework for the *Satan*-empowered global government system out of which will rise **the beast** [also referred to as **the antichrist**] in the last days. This is one aspect of conditions of the end times prophetically foretold in Revelation chapters 13-18 in the New Testament. It is a system of “global governance” referred to by many Bible teachers as the interconnected **Political Babylon / Religious Babylon of Revelation chapters 17-18. In Revelation 18:4-5 the LORD God of Israel warns His people about this system of global government of the end times. The apostle John wrote, “And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues For her sins have reached unto heaven, and God hath remembered her iniquities.”** God commands us to separate ourselves from them and their corrupting influence. From God’s perspective, a unity with falsehood is, and always will be, a false unity. Also, in the Holy Bible God does not command us to reconcile with falsehood. See 2 Cor. 6:14-18, Eph. 5:11, Col. 2:8-10 and 2 Tim. 3:1-5.

As the radical leftist agenda is carried out in America, conditions will likely become so bad in the months ahead that obedience to this command will become necessary for the safety and survival of authentic *Christians*. As we seek our **LORD** in prayer and Bible reading, He will guide each of us concerning how best to peacefully accomplish this for ourselves and for our Christian families. The challenge is separating from the New World Order while simultaneously living and working in this world. Let us pray that God will prepare places of refuge and religious freedom for His persecuted people.

In times like these, friends, we need our **LORD**’s help. We must seek our **LORD** in prayer and ask Him to fill us with the Holy Spirit so that we may be full of faith, courage, wisdom, discernment and love for our brothers and sisters in Christ. We must be prepared to encourage and help each other in the months to come. As Bible-believing *Christians*, we should expect persecution from those who hate us and reject the Scriptures of truth – the Holy Bible. Christ Jesus warned His *disciples*, “*If the world hate you, ye know that it hated me before it hated you. If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you. Remember the word that I said unto you, The servant is not greater than his lord. If they have persecuted me, they will also persecute you; if they have kept my saying, they will keep yours also. But all these things will they do unto you for my name’s sake, because they know not him that*

sent me. If I had not come and spoken unto them, they had not had sin: but now they have no cloke for their sin. He that hateth me hateth my Father also.” (John 15:18-23 KJV)

Thankfully, there is good news. All of this means that *the coming* of our Lord Jesus is near (Luke 21:28). King Jesus will soon return from Heaven to Jerusalem to establish His righteous rule and *kingdom* of one thousand years (Dan. 2, 7, 9, Zech. 14, Joel 3, Mt. 24, Mk. 13, Lk. 21, Rev. 19-20). As we wait for our Lord’s *coming* (1 Thes. 4:15-18), let us be encouraged regarding God’s promise of help, rather than being discouraged about the present conditions (Ps. 46:1-2, Is. 41:10-13, Heb. 13:5-6)). Let’s be full of faith rather than being controlled by fear. Jesus promised inner *peace* to His *disciples* in the midst of the storms and conflicts of this life. Our Lord said, *“These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.”* (John 16:33)

Moreover, in Hebrews 12:14 believers are taught to: *“Follow [Pursue] peace with all men,…”* Yet, we must pursue peace with our adversaries from a position of strength rather than from a position of weakness. We must recognize that antichrists, leftists, globalists, communists, socialists, progressives and ungodly, amoral, evil people do not respect weakness. They have a long history of being dishonest, persecuting and falsely accusing their political opponents and brutal in their pursuit of seizing power in nations.

Remember, their radical left predecessors (Stalin, Ceausescu, Mao Tse-Tung, Pol Pot, Kim Il Sung, Fidel Castro, Hugo Chavez, etc.) murdered over 100 million people in their evil revolutions, purges and massacres during the twentieth century. Much of this was done under the banner of “science” (i.e., false science, eugenics, etc.). But “science” without Christian morality is capable of the greatest of evils as is demonstrated throughout the history of communist and socialist regimes. The kind of people who reject the biblical teaching of the sanctity of all human lives (Gen. 1:26-28), the biblical right of individuals and families to own private property (1 Kin. 21:1-7, Mt. 6:21; 7:24-27; 20:1-8, Lk. 13:6-7, Acts 5:3-4), the biblical right of self-defense (Es. 8-9, Neh. 4:9-15) and are willing to murder their own babies via abortion (Ps. 106:34-39, Prov. 6:16-19, Is. 1:15-16), would most likely be willing to harm their “deplorable” political enemies if given the means, opportunity and incentive of the totalitarian Party and State.

Regardless of the evil plans of the *Devil* and his people, let’s continue to trust our Lord Jesus and stay encouraged in His Word. If we are to face persecution, let’s remember that we are called to be *overcomers in Christ* (Rom. 8:37). God is with us. May we have the faith and courage of Joshua and Caleb in 2021. In Joshua 1:8-9 our *LORD* commanded, *“This book of the law shall not depart out of thy mouth; but thou shalt meditate therein day and night, that thou mayest observe to do according to all that is written therein: for then thou shalt make thy way prosperous, and then thou shalt have good success. Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the LORD thy God is with thee whithersoever thou goest.”* Our God is more powerful than their hatred and contempt toward us. Our faith in Jesus our Lord is greater than their unbelief and hatred toward us. We declare that: We are of Jesus and He will help us 24/7 in 2021.
