

Our Concerns Regarding the Radical Left Agenda Which Was Carried Out in the USA During 2020

by Nolan McFadden, 19 December, 2020

A

Many of us are concerned about what Bible-believing *Christians* in the USA will encounter beginning in 2021 with the possible rise of a new leftist regime which is under the influence and control of the radical left. Tragically, the radical left consists of people whose minds and souls are under the direct influence and control of *the Devil*. See Jn. 8:43-44; 10:10, 1 Co. 6:9-11, 1 Ti. 1:9-10, 1 Jn. 3:9-15 and Rev. 21:8. Consequently, we know that they will pursue the works of *the Devil*.

I am going to share with you from my heart as if you were one of my family members or a close friend. We believe that our freedom of religion, speech, press and to write or publish the truth is presently at stake in the USA. I am writing this letter because I care deeply about the future of our families, friends and churches in the USA, in Mexico and throughout the world. Fanny and I love the USA and our US constitution. We believe that the USA is presently the last stronghold of religious liberty in the world. During the Trump Administration, foreign governments have been influenced to respect the human rights of *Christians* and other religious minorities throughout the world. Persecutions and violations are reported and investigated. We believe that all of this is about to change in a Biden Administration. We believe that if the USA falls to a pro-Communist China regime via a bogus election, the USA will become, in reality, a vassal trade state and ally of Communist China. Genuine elections with honest vote counts will cease. Freedom will be defeated and the great red *dragon* (i.e., *the Devil*) via Communist China will be allowed to obtain **global dominion** (Rev. 12-13). The entire world will be plunged into global government tyranny, collective totalitarianism, oppression and despair.

We believe that 2020 may be summarized as *a year of collective collusion by globalists, leftists, socialists and communists in creating crises (plural) in the USA with the objective of taking down the Trump Administration and gaining full control of the U.S. government. Their aim was to remove President Trump and elect candidates who are pro-Communist China and financially compromised to Communist China (i.e., like Biden, Obama, Clinton).* **Consider the following actions which demonstrate collusion:**

- 1) Event 201: A Global Pandemic Exercise was held in New York in October of 2019. The event included key globalist and leftist organizations. Those attending included the United Nations Foundation, the Bill and Melinda Gates Foundation, the World Bank, the World Economic Forum, NBC, the CIA, the Johns Hopkins School of Medicine/Bloomberg School of Public Health, and the Chinese Center for Disease Control and Prevention. They planned their coordinated response to a global pandemic which then began in Communist China weeks later. See the 8 April, 2020 article entitled *COVID-19: A Global Conditioning* by Gary Kah at <http://www.garykah.org/2020/04/13/covid-19-a-global-conditioning/>
- 2) The phony impeachment scheme against President Trump in Congress led by Democrats / Socialists / Communists in January, 2020
- 3) The COVID-19 global pandemic which originated in Communist China in November, 2019 and was purposely allowed to spread to the USA causing the loss of many thousands of lives, jobs and businesses (paralyzing the robust US economy)
- 4) The Communist funded, BLM directed protests / destructive riots, acts of arson, removal of historical monuments carried out throughout the summer of 2020 in the USA
- 5) Leftist owned and influenced news media purposely propagated phony polling numbers showing Joe Biden with large leads over President Trump for months before the election with the aim suppressing Republican voter turnout on election day.
- 6) The bogus, stolen election in November of 2020 by means of hundreds of thousands of illegal votes and fraudulent mail in ballots changing presidential election results and in several swing states with close races
- 7) During November and December of 2020, leftist owned and influenced social media and news media purposely censored significant data regarding voter fraud, cheating and illegal changing of vote counts in the 2020 election. This was done to prevent the American public from knowing the truth about illegal election cheating, changing of vote counts and fraud.

To verify these facts, see the 93 minute free video entitled *"2020 Election Investigative Documentary: Who's Stealing America?"* with Joshua Phillip at: https://www.ntd.com/2020-election-investigation-who-is-stealing-america_540191.html Please note especially 43:27 to 44:25 in the video. In times like these, friends, we need the *LORD*'s help. We must seek our *LORD* in prayer and ask Him to fill us with the Holy Spirit so that we may be full of faith, courage, wisdom, discernment and love for our brothers and sisters in Christ. We must be prepared to encourage and help each other in the months to come. As Bible-believing *Christians*, we should expect persecution from those who hate us and reject the Scriptures of truth – the Holy Bible. Christ Jesus warned His *disciples*, ***“If the world hate you, ye know that it hated me before it hated you. If ye were of the world, the world would love his own: but because ye are not of the world, but I have chosen you out of the world, therefore the world hateth you. Remember the word that I said unto you, The servant is not greater than his lord. If they have persecuted me, they will also persecute you; if they have kept my saying, they will keep yours also. But all these things will they do unto you for my name’s sake, because they know not him that sent me. If I had not come and spoken unto them, they had not had sin: but now they have no cloke for their sin. He that hateth me hateth my Father also.”*** (John 15:18-23 KJV)

Let us be encouraged regarding God's promise of help, rather than being discouraged about the present conditions (Psalm 46:1-2, Isaiah 41:10-13, Hebrews 13:5-6)). In addition, Jesus promised inner peace to His *disciples* in the midst of the storms and conflicts of this life. Our Lord said, ***“These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world.”*** (John 16:33) Moreover, in Hebrews 12:14 believers are taught to: ***“Follow [Pursue] peace with all men,...”*** Yet, we must pursue peace with our adversaries from a position of strength rather than from a position of weakness. We must recognize that antichrists, leftists, globalists, communists, socialists, progressives and ungodly, amoral, evil people do not respect weakness. They have a long history of being dishonest, unreasonable and brutal in their pursuit of seizing power in other nations.

Regardless of all that has happened during 2020, let's continue to trust our *LORD* and stay encouraged in Jesus and His Word. If we are to face persecution in 2021, let's remember that we are called to be *overcomers in Christ* (Rom. 8:37). Our God is more powerful than their hatred and contempt toward us. Our faith in Christ Jesus our Lord is greater than their unbelief and hatred toward us. We declare that: We are of Jesus and He will help us 24/7 in 2021.
Respectfully, Brother Nolan McFadden
