

Summary of Data Regarding the Great Reset

By Nolan McFadden

From a biblical perspective, the Great Reset is helping to prepare the way for the rise of the *antichrist's* prophetically foretold "global governance" (Dan. 7:23-24, 2 Thes. 2:1-15, Rev. 13:1-18). But where did the plan for the Great Reset originate? Also, where did the planning for the response to the covid-19 pandemic originate? Was it based on the "LOCK STEP" scenario (p.18) planning from the May 2010 Rockefeller Foundation paper called *Scenarios for the Future of Technology and International Development*? What was the source of large sums of money being paid to hospitals during the covid-19 pandemic in order to incentivize the falsification of the true number of covid-19 cases by means of using inaccurate PCR testing and the falsification of the true number of deaths actually caused by the covid-19 illness rather than having been caused by other kinds of illness? Where did the plan to lockdown for months those not infected by the covid-19 illness originate? During the covid-19 pandemic, these unnecessary lockdowns caused the destruction of thousands of small, middle-class businesses and forced millions of people to depend on money from the government in order to survive thereby creating a new, socialistic type of economy.

Where did the plan for tyrannical mandates requiring the gene revision, eugenics experiment, mRNA covid-19 poison shots by governments and businesses originate? These covid-19 poison shots have caused the deaths of many thousands of people and serious health problems for hundreds of thousands of people. See openvaers.com/covid-data. Many have lost their jobs because they refuse to be poisoned by the covid-19 injections. What kind of *devil* would inspire and purposely create all of this death, destruction and misery? In John 10:10 our Lord Jesus proclaimed, "*The thief cometh not, but for to steal, and to kill, and to destroy: [Whereas] I [Jesus] am come that they might have life, and that they might have it more abundantly.*" Notice the spiritual contrast of motives and plans.

In 2020 the book called *COVID-19: THE GREAT RESET* was published by the World Economic Forum (WEC). One of its authors, Professor Klaus Schwab, is a prominent globalist who founded the WEC in 1971. Schwab is the executive chairman of the WEC and was also a former member of the steering committee of the Bilderberg Group of wealthy Freemasons. The book advocates "global governance," "societal reset," "contact tracing," "contact tracking" and "stakeholder capitalism." However, "stakeholder capitalism" appears to be, after the collective input of socialists, a socialist "transformation" of free market capitalism. The result is a new synthesis - global socialism. Secretary General of the United Nations, Antonio Guterres, wholeheartedly endorses the Great Reset. Keep in mind that Guterres is the former president of Socialist International from 1999-2005. Guterres would not support the Great Reset if it did not include socialist "transformation." Likewise, the book *LET US DREAM* by Jesuit, globalist Pope Francis is a religious version of the Great Reset. It is called THE CATHOLIC RESET.

This new synthesis is further made clear by the fact that the Great Reset of the World Economic Forum aims for no private property by 2030. An ad funded by members of the World Economic Forum reads, "You will own nothing. And you will be happy." This is delusional global socialism at its worst. What a Plan. The leftist, globalist oligarchy will own and control everything. You will own nothing and be dependent on them for everything. In the past, this was known as slavery. Now, it is called "global governance." Moreover, "build back better" implies destroying the existing free market system, nation-states and constitutional, God-given freedoms (including religious and political freedoms) in order to build a totalitarian world Society and the (singular) World State. In fact, many believe that a Great Collapse is being deliberately created via the COVID-19 pandemic, economically destructive lockdowns and tyrannical mRNA COVID-19 poison shot mandates in order to help establish the planned Great Reset of the globalists and the World Economic Forum.

What is being created via the Great Reset from 2021 onward is the globalist / universalist / leftist New World Order spoken of by illuminated Freemasons [i.e., illuminated by the fallen angel *Lucifer*],

Professor Adam Weishaupt, Fabian socialist H.G. Wells, Freemason Alice Bailey, Freemason / Theosophist / socialist Annie Besant, globalist Henry Kissinger and many others during the past two + centuries. This is no conspiracy theory. The New World Order has been advocated by many deceived, Freemason authors, professors, religious leaders and politicians, in their own words, for many decades. The founding of the United Nations in October of 1945 was the political actualization of esoteric universalism and globalism. See <http://www.freemasonrywatch.org>.

Likewise, the very real influence of Freemasonry is far reaching. Inspired by Darwinism, Fabian socialism and the Theosophy of Freemason, Fabian socialist, Theosophist Annie Besant and Freemason, Theosophist Helena Blavatsky, H. G. Wells wrote the book called *THE NEW WORLD ORDER* which was originally published in 1940. This esoteric doctrine of the creation of a “New World Order” had a tremendous impact on key leaders in the West throughout the twentieth century. These include President Franklin Roosevelt, Vice-President Henry Wallace, President Richard Nixon, President George Bush and many others. During the past eight decades, this book has been used as a practical blueprint for the incremental establishment of the globalist planned “New World Order.”

Several years prior to the founding of the “United Nations”, Mr. Wells, who was a British socialist and very influential author of the twentieth century, advocated in this book: 1) “the World State” in Chapter 12; 2) a “United States of the World” in Chapter 7; 3) a “great synthesis of nations” in Chapter 11; 4) “a secular movement toward a single world order” in Chapter 11; 5) “world community” in Chapter 10; 6) “a new world order” in Chapters 8, 10, 11, 12; 7) “world socialism” in Chapters 8, 10; 8) “world citizenship” in Chapter 12; 9) “new world money” in Chapter 12; 10) “world collectivization” in Chapters 4, 7, 10, 11; 11) “internationalism” in Chapter 12; 12) “socialization” in Chapter 12; 13) “collective unity” in Chapters 11, 14;) self-realization” in Chapters 7, 12; 15) “international policeman” term used three times in Chapter 7; 16) “disarmament police” found twice in Chapter 12; “etc. (66)

Keep in mind that Mr. Wells and other Fabian socialists were influenced by the same esoteric universalism of Freemason, Theosophist Annie Besant who aided Helena Blavatsky in writing the *The Secret Doctrine*. This work advocates the esoteric theory of seven “spiritual races” – a “*doctrine of devils*” embraced by Adolf Hitler and other deceived students of esotericism. Author Dennis Cuddy has prepared a chronology of quotes which identify many of the proponents of the New World Order and show its development. For those who study Bible prophecies, none of this should surprise us. As revealed in the Holy Scriptures, these organizations are helping form the framework for the *Satan*-empowered global government system out of which will rise the global leader known as “*the beast*” [also called *the antichrist*] in the last days. This is one aspect of conditions of the end times prophetically foretold in Revelation chapters 13-18 in the New Testament. It is a system of “global governance” referred to by many Bible teachers as the interconnected political / religious *BABYLON* of Revelation chapters 17-18. In Revelation 18:4-5 the *LORD God* of Israel warns His people about this system of global government of the end times. God commands, “...Come out of her, my people...”

In John 8:12 our Lord Jesus declared, “...*I am the light of the world: he that followeth me shall not walk in darkness, but shall have the light of life.*” Those who do not know and follow Jesus Christ as Lord and Savior are walking in spiritual darkness. They are easy targets for the spiritual lies and false philosophies of *the Devil*. Tragically, *Satan* deceives people and then uses them for his evil purposes. Over the years, *the Devil* has deceived and inspired government leaders, religious leaders, false teachers / educators, military leaders, organizations, and secret societies to help prepare humanity for the *Devil's* final “ascended master” and his evil, counterfeit global kingdom (or global order). When our Lord Jesus returns from Heaven, the true millennial *kingdom* of *the LORD* will be established on earth in Jerusalem (Zechariah 14). But, before the true *kingdom* comes at the 2nd coming of King Jesus, a horrific, counterfeit christ and an evil, counterfeit global kingdom are about to arrive. Are you prepared for what is coming?
